RE: MUR 4728
Campaign for Working Families

Dear Mr. Kelner:

We are in receipt of your letter of March 29, 1999, requesting a one-week extension to submit additional information relating to the issues discussed in our letter to you of March 23, 1999. In that letter, we advised you that this Office was prepared to submit your proposed agreement to the Commission for its consideration, per your request. We also informed you that this Office has significant questions about potential violations of the Federal Election Campaign Act which were raised after our review of your Response to the Commission's reason-to-believe findings. We invited you to submit additional information to clarify these issues, and asked that such information be submitted by April 2, 1999.

Recognizing that there may be a significant amount of work involved in gathering information relating to these issues, and in light of the Passover holiday, the Office of the General Counsel has granted the requested extension. Accordingly, any additional information which you would like to submit must be received by the close of business on April 9, 1999. Please be advised that if such information is not received by the close of business on April 9, 1999, this Office will immediately proceed as detailed in our last letter.

If you have any questions, please contact me at (202) 694-1650.

Sincerely,

Seth H. Row
Attorney
